

Ramsey Middle School
Student Athlete Expectations

Student athletes must:

- Have a positive attitude, put forth the best effort, respect coaches and teammates, show school spirit and demonstrate sportsmanship.
- Conduct themselves properly at all times, for they are a representative of Ramsey Middle School. ISAP and suspensions are not acceptable.
- Attend all practices and games. Your coach must be notified about the absence prior to a game or practice. Unexcused absences will result in dismissal from the team. Players that are absent from school may not attend practice or games scheduled for that day.
- Be prepared and punctual for games and practices. Students are not allowed to call home during the school day to make arrangements, unless a school cancellation has occurred.
- Purchase appropriate equipment and uniform.
- Purchase Athletic Insurance required by JCPS. The insurance is \$5.00 for tryouts and \$15.00 if you make the team = \$20.00. This fee is required one time for each school year and is good for all sports played during the school year.
- Maintain a 2.0 GPA, without any U's. If grades drop below the standard, student athletes will not be eligible to participate in competition. Student athletes may still attend practices.
- Participate in fundraising scheduled by the Booster Club for your team. If you do not participate in fundraising opportunities, you must pay the required amount needed.
